In the course of works leading to the preparation of the Company's semi-annual report, the Management Board of Artifex Mundi S.A. with its registered office in Katowice ("Company") decided to publish selected financials of the Company for the first half of 2024, which are presented in the attachment to this current report.

The Management Board finds the publication of the selected financial estimates of the Company at this stage (i.e., before completing and publishing the relevant periodic report) to be substantiated by, among other things, a significant improvement in the Company's business efficiency recorded in the first half of 2024 in comparison to the same period in the previous fiscal year. In particular, it should be noted that, to the current knowledge of the Management Board, the Company's net income obtained in the first half of 2024 amounts to PLN 14,353,000, which is 46% more than the income recorded in the same period in 2023.

The Company's Management Board emphasizes that the presented financials are estimates, and they may vary due to further accounting treatment (potentially to an insignificant extent) from the Company's final financial results presented in the semi-annual report, which will be published on 11 September 2024.
