In the course of works leading to the preparation of the Company's quarterly report, the Management Board of Artifex Mundi S.A. with its registered office in Katowice ("Company") decided to publish selected financials of the Company for Q1 2025, as presented in the attachment to this current report.

The Management Board finds the publication of the selected financial estimates of the Company at this stage (i.e., before completing and publishing the relevant periodic report) to be substantiated by, among other things, a significant improvement in the Company's business efficiency recorded in 2025 in comparison to the same period in the previous fiscal year.

In particular, it should be noted that, according to the current knowledge of the Management Board, the Company's net income, clean of the impact of the non-cash costs of the incentive scheme, obtained in 2025 amounts to PLN 8,543,000, which is 15% more than the income recorded in the same period in 2024.

The Company's Management Board emphasizes that the presented financials are estimates and they may vary due to further accounting treatment (potentially to an insignificant extent) from the Company's final financial results presented in the quarterly report, which will be published on May 14, 2025.
